Are the magazine reports about your passionate romance true?

What kind of person is your partner?

That you've already held a wedding ceremony?

The Noble of Ballads HIBIKI-san
His romance uncovered!? Coming out

Is this about my partner being a man?

My partner is just a regular person, so I won't say more than this...

We had our wedding ceremony last year overseas.

As a huge fan of his, his declaration

changed my awareness.

Of course, there will be a lot of prejudice. But...

We can't just be fearful all the time...

Myself.

Even to
my parents
and friends,
and also...

suppressed the
fact that I was
gay while living.

Until I reached
this age, I always
single-mindedly

even though I
didn't have the
courage to mar-
ry a woman.

I began to say
to myself that
I was hetero...

I was afraid
of the cruel words
and deeds of those
around me.

To everyone
who is wor-
rying about
this one life
you have
to live.

I want you
to be honest
to your heart
and live.

AND LIVE
HONESTLY.

JUST LIKE
HIM, I WANT
TO FOLLOW
MY HEART,

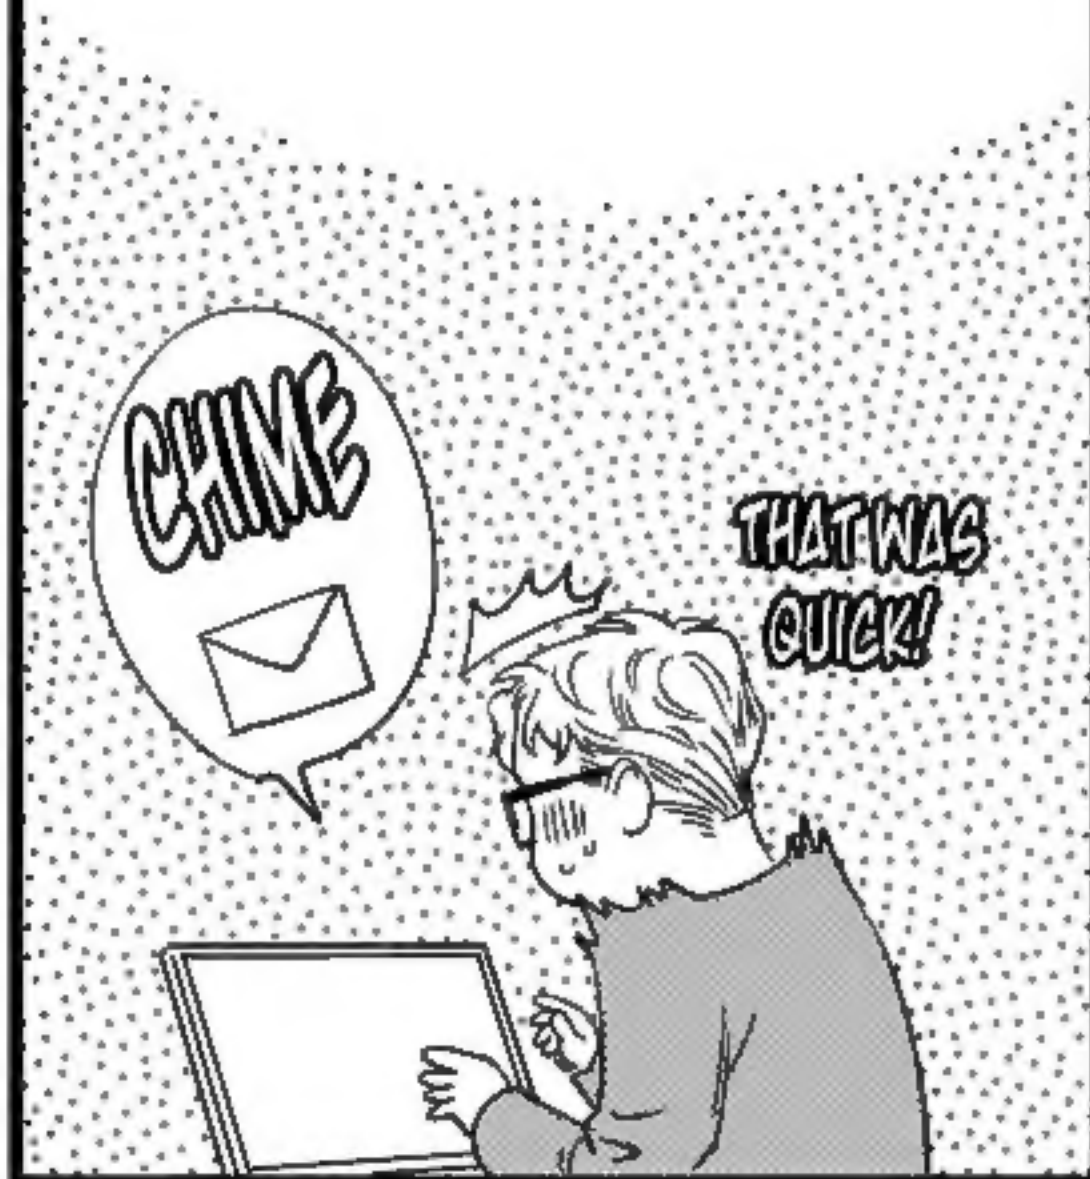

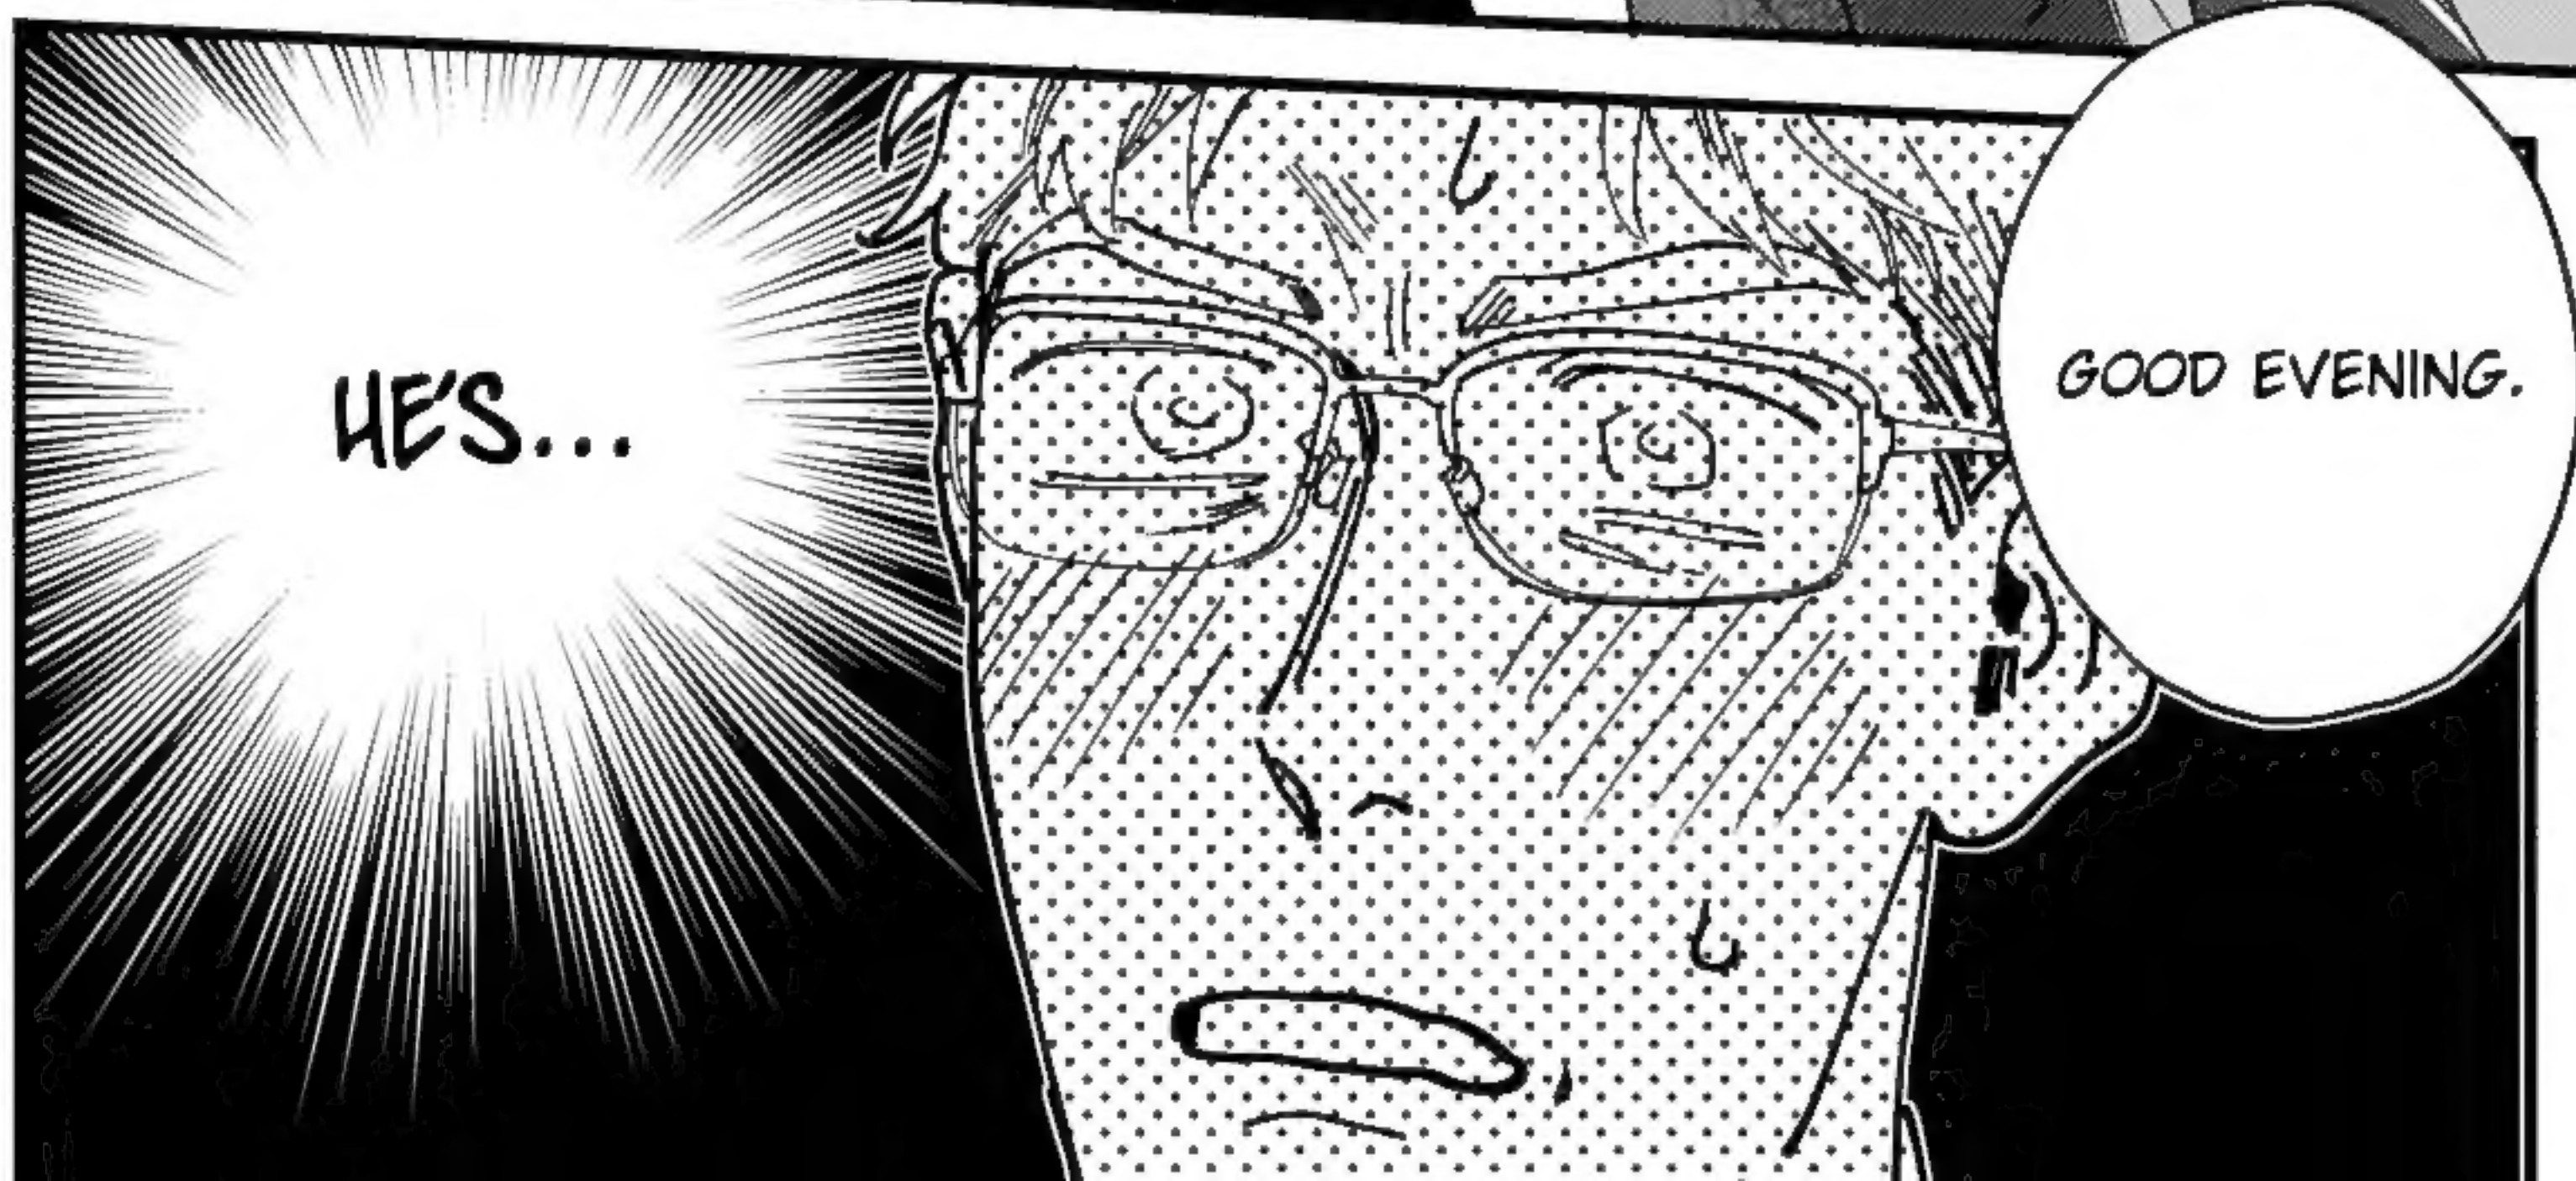

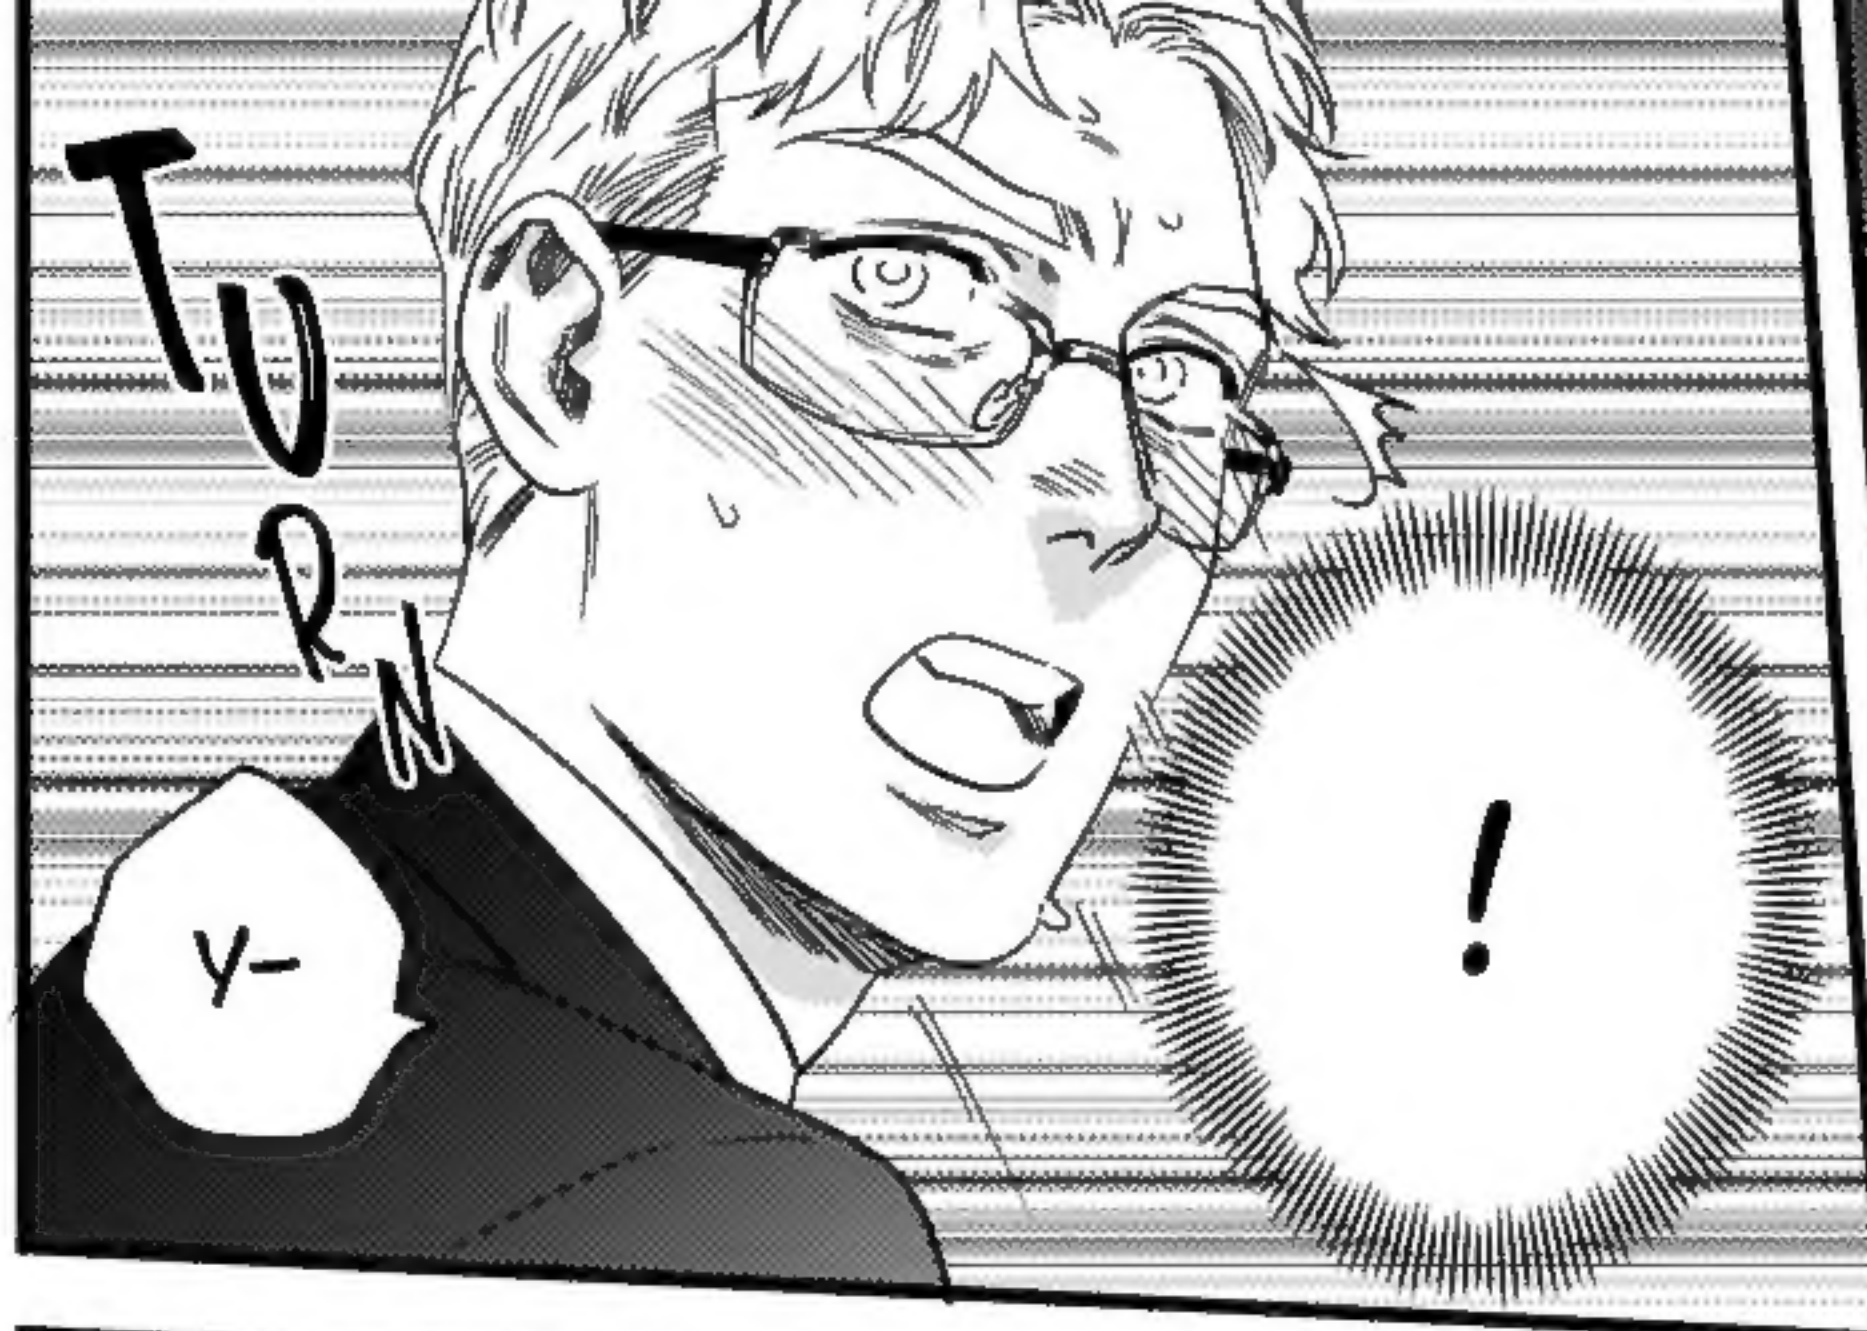

Thinking that,
I couldn't just
do nothing.

While not
knowing left
from right...

But I had no idea
I would receive a re-
ply that quickly...

A-A
KID THIS
YOUNG?!

Ye-
Yesh.

Nice to
meetcha!

I'm Rei.

I messaged
you.

YOUNG!!!

COULD IT
BE, IT'S NOT
WHAT YOU
WANTED?

ME.

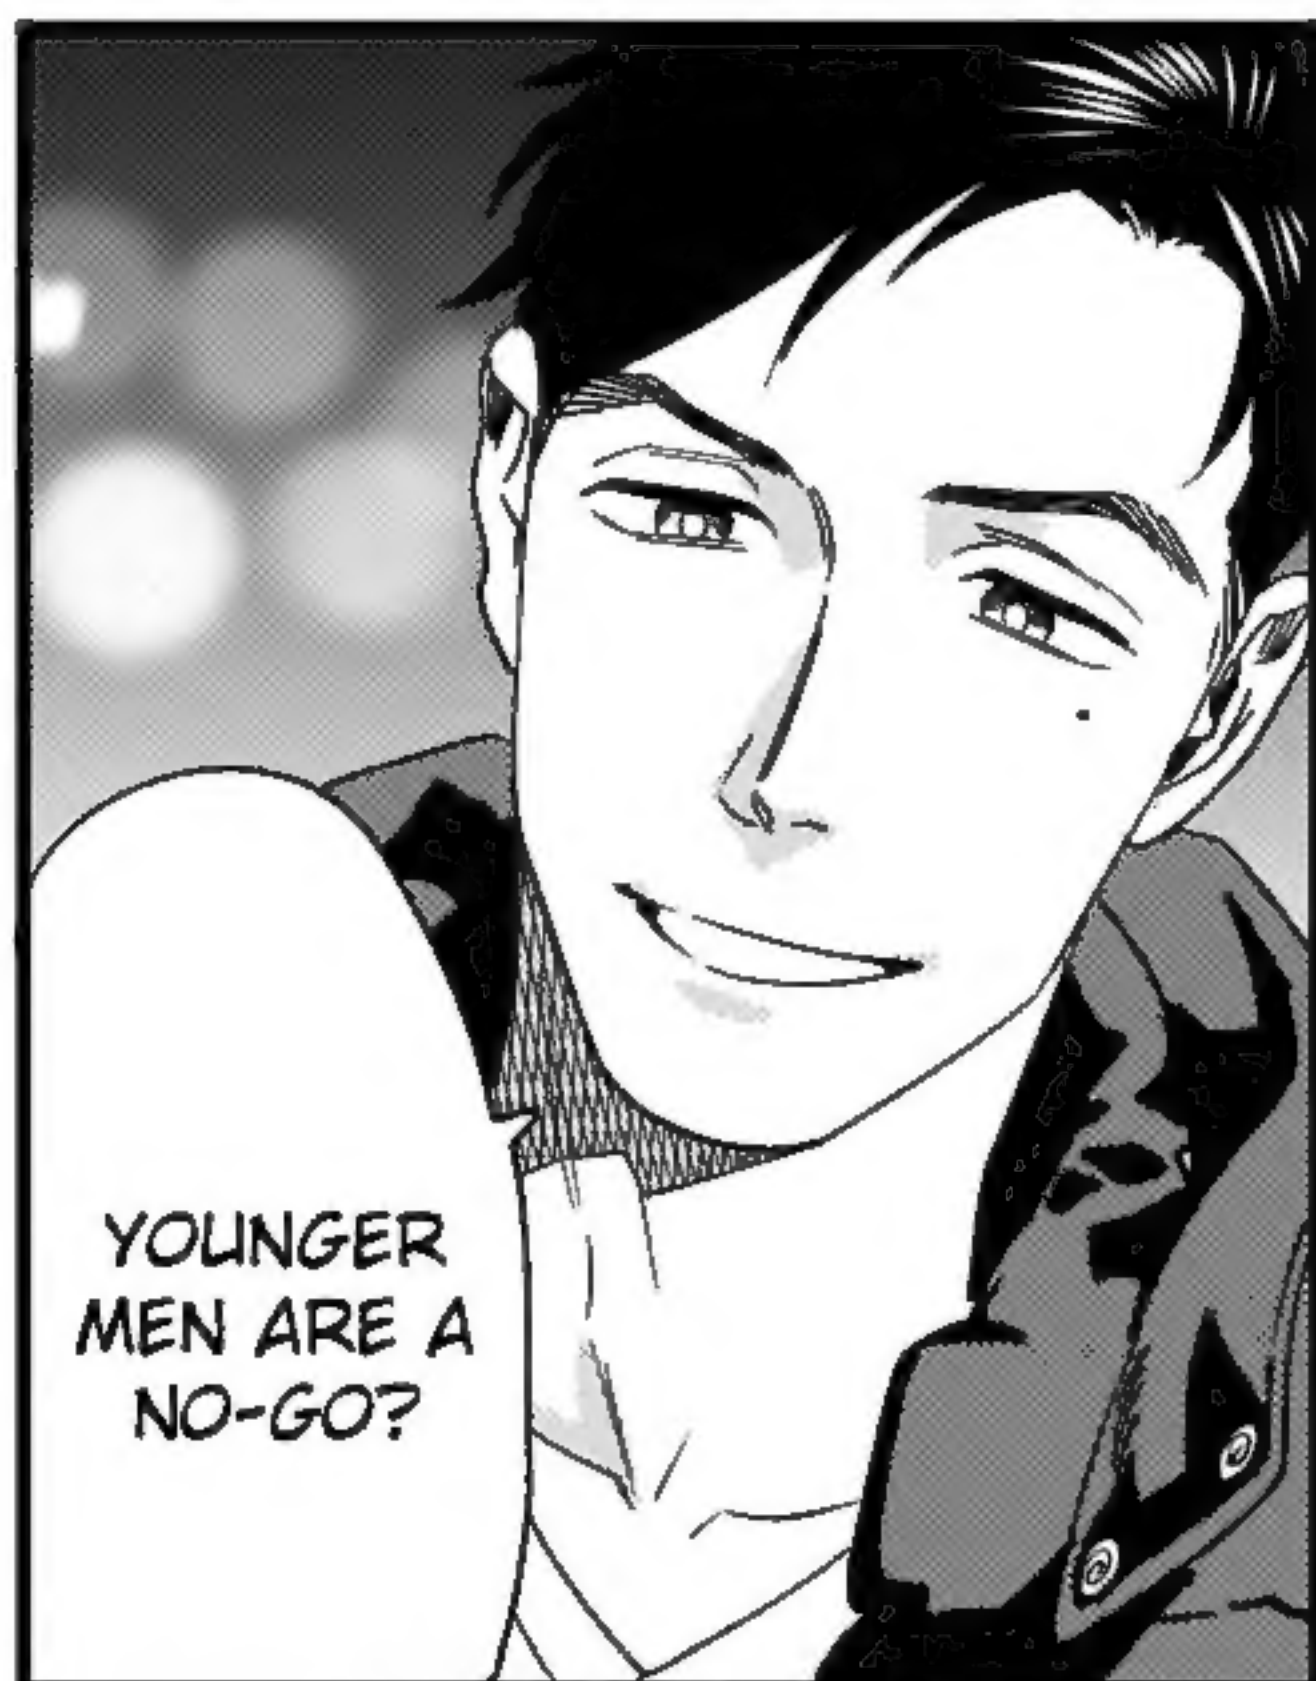

...NO.

HM...

HM?

YOUNGER
MEN ARE A
NO-GO?

SOMEONE
AS YOUNG AS
YOU AGREEING TO
BECOME MY
FRIEND,

IS JUST
SOMETHING I
NEVER EX-
PECTED.

Cuz
I found
a great
place.

Awe-
some! Then
let's go!

OF COURSE
NOT...!

Starting
today, my life
begins again.

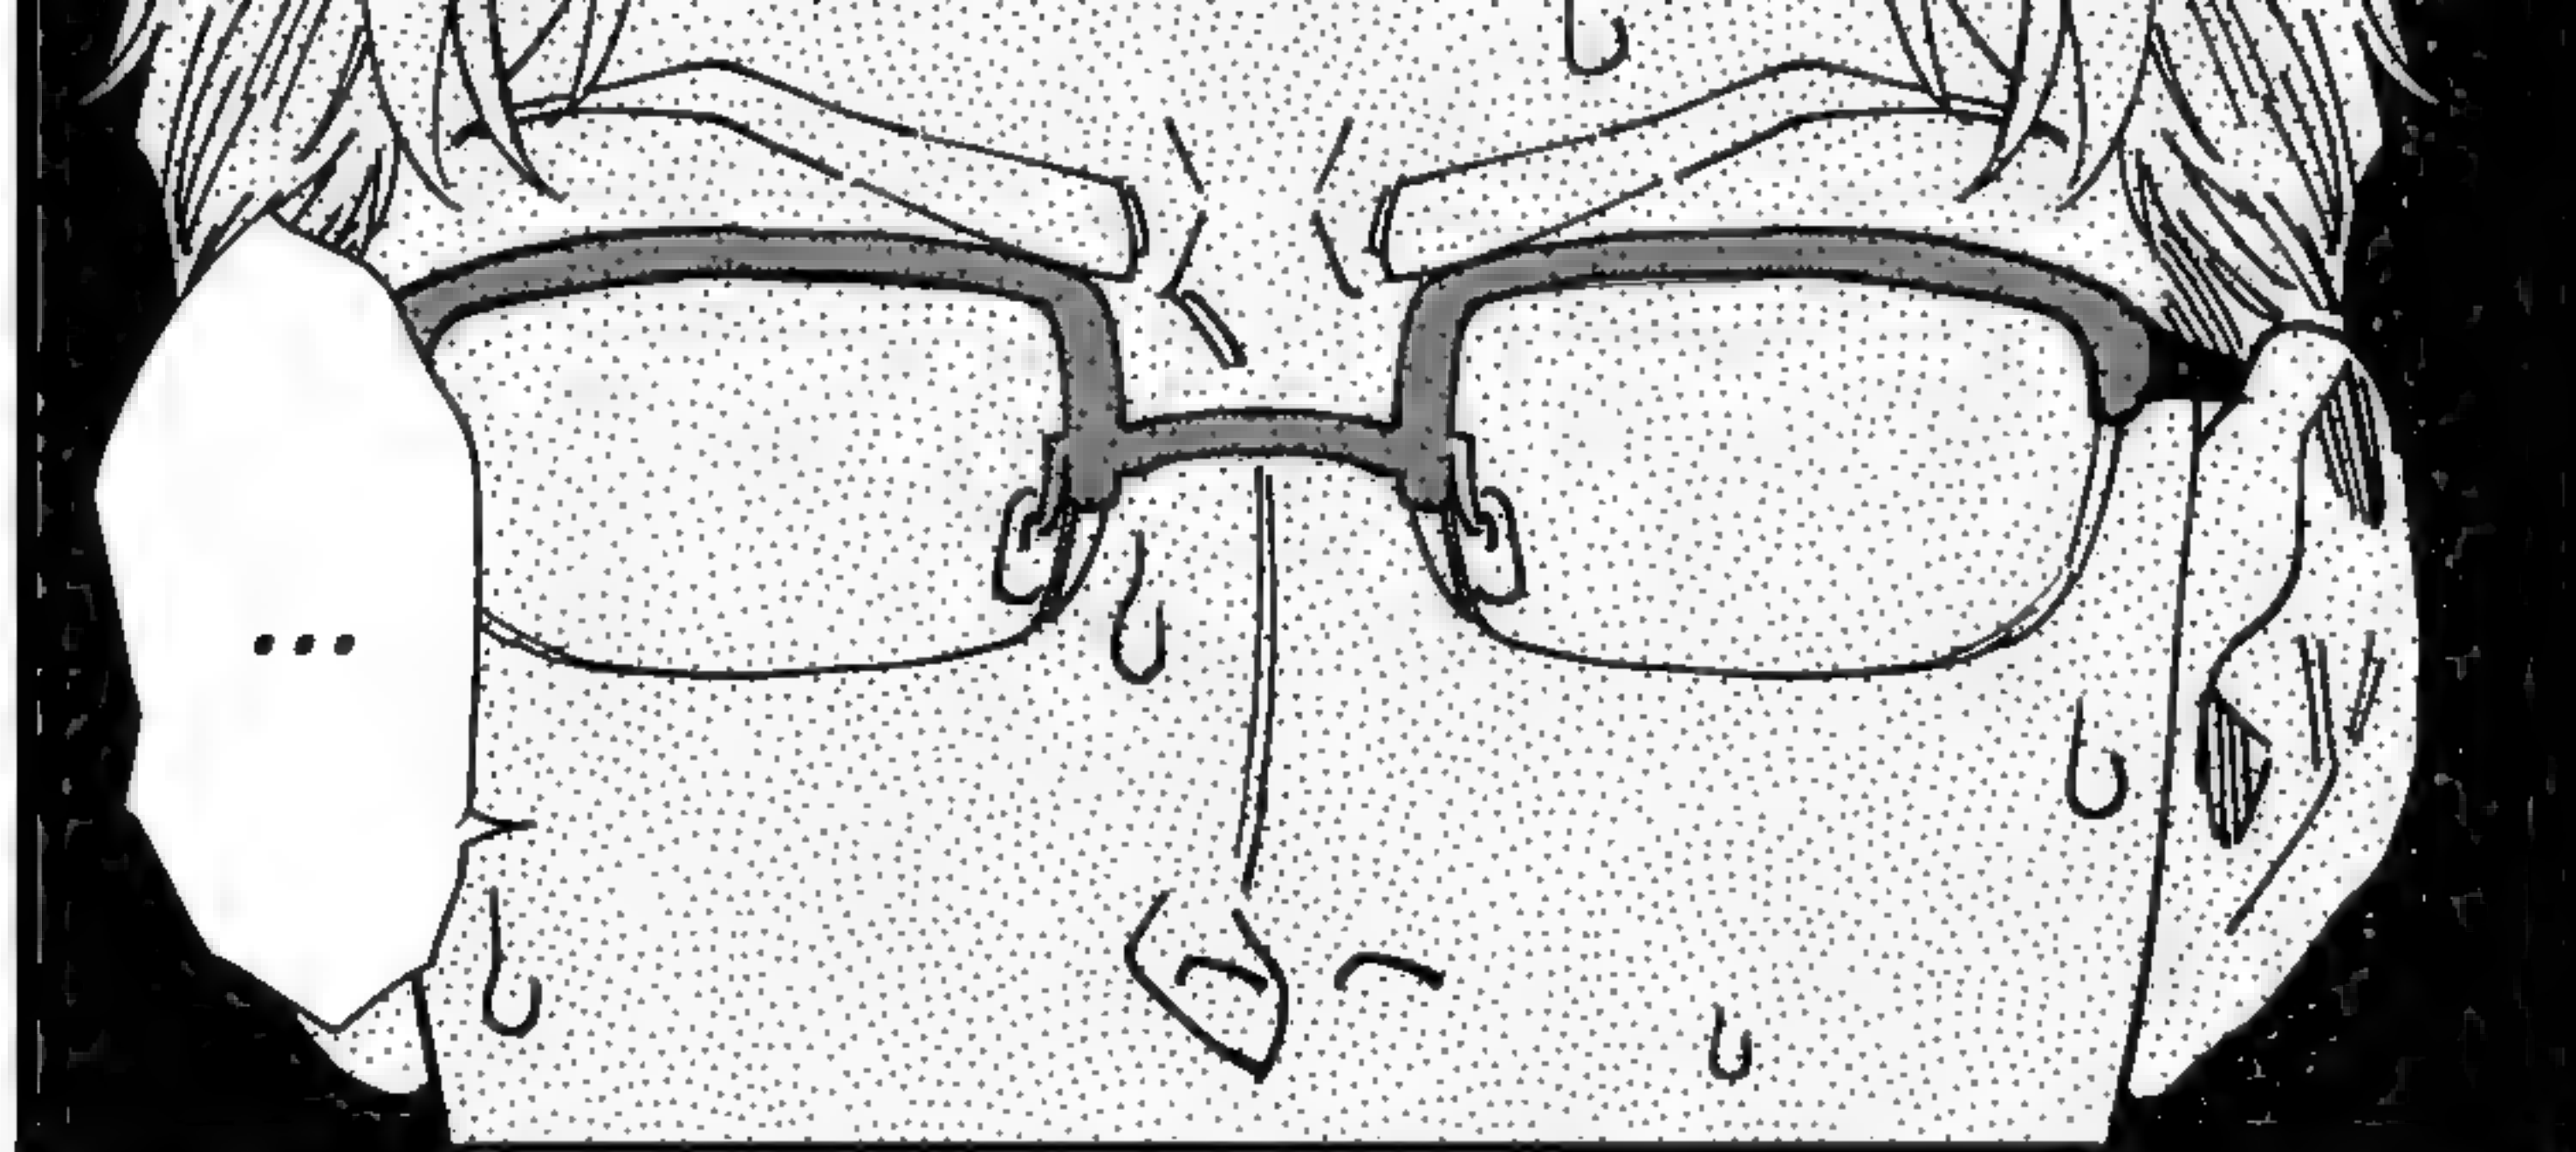

THANK GOD
HE SEEMS
LIKE A GOOD
PERSON...

I WONDER
WHERE... A
RESTAU-
RANT?

excited

CERELY WANTED A
